GARY BOY LOSES OUT IN MAYORAL RACE

John McLennan, Mayor of Boyville in Gary, the independent candidate for Mayor, who lost out at the Valparaiso boycott election yesterday, took his defeat very gamely. He was the first to congratulate Mayor Ellis and wish him a successful administration, wringing his hand as he did so. Ellis responded in manly fashion and one after another of the defeated candidates came up and congratulated their victorious rivals.

The popularity of McLennan and his quick rise to favor was astonishing, even to the Valparaiso boys. Three days ago he was almost unknown among the boys of that place, and yet at the end of a whirlwind campaign he won many Valparaiso votes. There were not lacking prophets to say if the election had been deferred for another day McLennan would have gained the Mayoralty. Despite his defeat he will have a voice in the Council, for his ward elected him an Alderman.

The full list of Aldermen follows: First Ward, Howard Dodge and Holmes Martin; Second, John McLennan and Bernard Szold; Third, Joe Grapel and Sam Houser; Fourth, Milo Bowman and Nelson Wachman.

Other Gary Boys Honored.

One of the first appointments made

by Mayor Ellis was that of John McLennan as chief of police, an appointment the Council ratified unanimously. Carroll Slick of Gary and a member of the Boyville Band was made commissioner of public works. Slick appointed Andy Dalrymple of Valparaiso his deputy. Other members of the police force are Sam Isaacson, Sam Houser, William Clifford and Joe Grapel, all of Chicago, and Bernard Szold and Oliver Stewart of Valparaiso.

Hundreds of visitors thronged the plaza in front of the city hall this afternoon to see the races. Howard Dodge of Valparaiso won the wheelbarrow race and a prize of 50 cents, while Holmes Martin was victor in the blindfold race, receiving the first prize, \$1. Carroll Slick won the 300-yard dash, running race. Valparaiso carried off the honors in other races, Edward Brown and Bruce Loring winning the three-legged race for fourteen-year-olds, while Harold Scott and Brune Smith were victorious in the three-legged race for boys of twelve.

In the evening of the big circus tent was packed with visitors to hear the inauguration speeches of the newly elected officers and witness moving pictures and a vaudeville entertainment.

will spend several weeks visiting his grandmother.

William Timm of Crown Point visited Robertsdale friends Tuesday.

Rev. S. E. Schrader returned Friday from Milwaukee, Wis., after a few days visit with friends.

John Blaul of Roberts avenue was a Chicago business visitor Wednesday evening.

E. C. Holmes has resigned his position here and has gone to South Haven, Mich., today.

NEW FLAG WITH 48 STARS FLYING TODAY

There were forty-eight stars in all the flags flying today over all government buildings, forts and at the stern of every vessel of the navy. The new flag, issued on Independence day, contained stars for New Mexico and Arizona, the latest states admitted to the Union. It may be many years before the flag must be made over, as no more territories remain in the United States proper.

FIRE RAZES LAND MARK AT GRIFFITH

Griffith, Ind., July 5.—Fire destroyed the old Dwiglins land office on Main street near the Erie railroad yesterday morning. It was a relic of the early boom days of Griffith and was still embellished with the names and promises of the founders of the town. It was occupied by some Italian section men who were outside at the time. No one is certain as to how the blaze started but it is believed to have caught from a gasoline stove which was burning inside at the time. The building was owned by Jacob Miller and was not insured.

IS WELL PATRONIZED.

(Special to THE TIMES.)
Crown Point, Ind., July 5.—The new interurban service is proving a drawing card to the citizens of Gary and Crown Point alike, and a pleasant interchange of relations of a social and business nature is afforded through the newly installed service. The patronage up to the present time has more than met the anticipation of the officials of the company and with the regular schedule of trains adjusting and the promised reduction of
